

BUILDING DAMAGE ASSESSMENT REPORT	
<u>ROOM OR OTHER</u>	<u>CONDITION</u>

Report damage as:

1. Damaged but still Operable;
2. Inoperable, but would only require minor repairs to become operable again
3. Inoperable, and cannot be reasonably repaired (damaged to the point of being useless);
4. Operable, but inaccessible due to isolation caused by water, etc.
5. Viability of Electrical, Water, and Sewer Utility facilities
